We're making Improvements in Your Area

New crossing point and footway link

Dear Resident,

We will shortly be working in your area as part of the Council's 'Pride in Our Community' investment programme. Between 2018 and 2022 we are investing over £50m in creating a better borough with improvements to roads, footpaths, street lights, road signs, highways structures and green spaces.

In 2019/20 it is the Council's aim to further improve our road network and highway assets. Some £12m will be invested during the next year, delivering 222 improvement schemes across the borough. These improvements will be achieved in partnership with the Council's new highways contractor Balfour Beatty.

As part of the Council's ongoing investment into its roads and footpaths, we will shortly be installing a **new crossing point on Chetwynd Road** and a **footway link from Deer Park Drive**. Works will be delivered by our subcontractor GN Groundworks.

When are we planning to deliver this work?

The work is due to take place on **27/01/2020** and will be completed by **19/02/2020**, weather permitting. This work will be done under **3-Way Temporary Traffic Lights**, attached to this letter is a traffic plan for this work.

We will be working between **08:00-16:30hrs** and will have our dedicated teams on site to assist you during this time to help you get past the working areas safely should you need to do so. Whilst we will endeavour to minimise disruption we ask that you keep vehicle movements to an absolute minimum and not to park on the road. Please also ensure that children are supervised, do not play near the working areas and all pets are kept away from the works.

Information about access to your property

Access will be maintained during the works for residents and for emergency vehicles although there will be short periods of time when the contractors will require residential and commercial traffic to be excluded to allow the surfacing material to harden. We will try to cause as little inconvenience as possible and really appreciate your co-operation whilst we are undertaking the works.

If you have any special access requirements while the works are in progress or need to contact Balfour Beatty about these improvements please contact us at our new Telford Highways Hub:

TelfordHighwaysHub@Balfourbeatty.com and a member of our team will be in contact with you shortly.

Thank you for your co-operation whilst we deliver these improvements in your area.
