

REMEMBER LOVED ONES AT CHRISTMAS

**The Rotary Club of Newport in association with
Newport Town Council and The Newport Advertiser
is proud to present**

NEWPORT TREE OF LIGHT 2017

This initiative gives local people the opportunity to remember a loved one,
while at the same time raising money for Charity.

The Tree of Light this year will be located on the corner of Wellington Road and Upper
Bar and will again be lit with memorial white lights, to be switched on at the same time
as the rest of the town's display on Friday 24th November.

Members of the public are invited to donate a minimum of £5.00 to sponsor a white light
on the tree. In return the names of loved ones remembered will be printed in the
Newport Advertiser and a Memorial Book will be displayed in the Guildhall early in the
New Year

All the money raised from this project will be shared between

Rotary supported good causes and The Mayor's Charity for 2017/2018

If you wish to participate please complete the coupon below and return
